

## VK3 OUTWARDS QSL BUREAU

This free service is available **ONLY** to financial members of the WIA and/or Amateur Radio Victoria.

Cards are forwarded to IARU officially recognised bureaux only. For this service to continue to be provided at no additional charge, members need to correctly address each of their cards by designating the PREFERRED PREFIX of the destination bureau.

**Only the preferred prefix of the destination bureau must be printed in the TOP RIGHT HAND CORNER on the front or back of the card.** e.g. A card being sent to Korea for D51AA would have printed the prefix HL in the top corner.

Card size should not exceed 140mm x 90mm or be less than 125mm x 80mm. QSL's must not be printed on lightweight paper, (such as 80gsm copy paper). Preferred weight is in the range 120 - 180gsm. Cards must be sorted and grouped together for the respective destination bureau and sent or delivered to the Amateur Radio Victoria Office, 40g Victory Boulevard, Ashburton 3147, and clearly marked '**OUTWARDS BUREAU.**'

Bureau 'PREFERRED PREFIXES' must be obtained from the published list and this information is not available over the telephone.

'SPECIAL' prefixes issued for contests and other operations should be checked in the table of International Prefix Allocations.

| Prefix | Country               | Preferred Prefix | Prefix | Country           | Preferred Prefix |
